Apricot Sun Catering

My Mediterranean homeland has an apricot sun, a globe that deepens to orange just before it sets. I grew up under that vibrant sun, cooking warm, flavorful home recipes handed down for generations. Now my family can bring you our naturally healthy heritage dishes, in hearty portions calibrated to fuel your active life. Gluten-free and precisely crafted, so you can relax and savor your own little taste of the Mediterranean.

Sahtein! With good health!

Marlen & Robert
